## OBJECTIVE

To secure a position in a high energy and challenging environment that will promote professional and personal growth while adding significant value to my employer and to the growth of the industry. To enhance my knowledge & skills through sound & practical exposure.

## EXPERIENCE

### Blue Eye Soft Corp, USA — Intern

January 2022 – January 2023

Working on research projects based on satnav and their communication.  
(Working with various govt. firms as well as private firms)

### IEEE Bombay Section, Mumbai — Data Analytics Intern

August 2021 – March 2022

Working as a data analytics intern, working on large data sets for studying IEEE membership trends.

## PROJECTS

**StockDash** – made a web application that caters to live NASDAQ listed stock price watch, displaying 3 different types of charts for technical analysis as well as the app offers various paid & free courses with expert approved blog recommendations.

**Booksavania** - made a website as a project for my third semester in engineering. It can be a one stop solution for buying, selling, and donating new as well as refurbished books.

**Nanotechnology based health equipment** - headed my team for a Chemistry research project in my first year of engineering

## EXTRA CURRICULAR

- ❖ General Secretary of the flagship tech-event of the Computer Engineering Department of my college.
- ❖ Have been the lead anchor in 10+ events in my college in just a few months because of my communication skills.
- ❖ Social Media Head of the CSI (Computer Society of India) student chapter of my college.

## SKILLS

- ❖ Python programming
- ❖ Content Writing
- ❖ English proficiency
- ❖ Time management
- ❖ Leadership
- ❖ Effective communication
- ❖ Problem solving
- ❖ Fast paced learning

## EDUCATION

### Shah & Anchor Kutchhi Engg. College, Mumbai — B.E Computer Engineering
